

Info Breakfast 2015-04-28

Teaching Development money: The Department for Building and Environmental Technology has formed an Undergraduate Teaching group. They applied for and got development money for “Development of existing and new pedagogical methods”. Magnus P?

Administrators out: All our administrators will be away on a conference 5-7 June.

Future research organization at LTH: The new rector at LTH has formed a new working group to look at a possible reorganization of our research and research education. Johanna has more info.

Fire safety training: People working at LU have the possibility to obtain free fire safety training. If you are interested to join the course this fall, please notify me.

Study plan reminder: Has everybody printed out their study plan and had it signed and returned to Carina? If not, DO IT ASAP!

Solid waste separation at TVRL: Latest developments?

Questioner Working Conditions: I got a few, but still only about 15, so please hand in as soon as you can. I will report back next Info Breakfast.

Spring event: The event will be at Water World in Kristianstad (-2.41 m MSL). Most likely we will go on 4th of June, but the date is still not 100% fixed. We will send out an email as soon as we know for certain. Any more info?

SHORT REMINDERS
